Customer Reviews

This is a wonderful book. Full of colorful pictures and text that is easy to read. Holds the interest of all ages, or a great read aloud for younger kids. Highly recommend for anyone studying this time period.

Although meant for children, I find myself dazzled by this small Usborne book. It is packed with lush illustrations, simple text, and facts. It is a great starting point for learning medieval world history, although it also covers the Dark Ages and the rise of Christianity. A fine book, highly organized and highly recommended.

Using this with TOG Yr 2, Unit 1, Lower Grammar. It is thorough and is full of descriptive pictures for younger students. We are enjoying this one. I wouldn't skip it.

Rather informative. Good pictures. Good for ages 7-15. Wide variety of topics
