This is a cute little story where Papa reads "Twas the Night Before Christmas to the cubs. The large majority of the book is that poem, but it does have a cute intro where Mama and Papa decide reading a book is better than watching some silly TV Christmas show. My kids love it and we've read it a zillion times since Christmas.

The book itself is very good but I bought it as an eBook on my kindle. Low and behold it wont work on my kindle because its the wrong device. Wish it would have said something before i bought it. The other Bernstein Bears' books I have bought work just fine. But this Christmas one does not work on the Kindle. I cant move it from the archives to the home. And it wont open. I can only open

it on my iPhone and in the kindle cloud. The phone is a little small to see and I cant use my computer to read to my granddaughter in bed. I'm sure its a lovely book but its the only one that doesnt work for me so far.

Sweet little book. I was surprised to find that it was pretty much just papa bear reading the entire poem "The Night Before Christmas". It's nice for us as we don't have that poem in any other book, but may be not so good for someone who already has that poem to read to the children.

I grew up reading the Berenstain Bears books and now my kids love them! I bought this to give them during our advent activity this year. I wrapped a Christmas themed book for each day of advent, some we already had and a few we already had. Each night they opened one. They loved the activity and loved this book. Charming artwork, great story and great characters.

I wanted to start a new tradition this year. And my kids are still young and love the Berenstain Bears. So I figured this would be a good way to do it. It was sold out mostly through Christmas - but was restocked in time for a Christmas Eve delivery!!! It came about 6pm and I read it to the kids at 9pm. It was a wonderful addition to our Christmas Eve traditions. :)

My son is still young but LOVES Berenstain Bears and what better way to introduce him to one of my childhood favorite series than the Christmas book! No matter the age of your child this will be well loved for years to come.

Thirty or so years ago I used to read Berenstain Bears books to my little girl. So I thought I'd buy this one for her for this Christmas. It was a hit. All of their books use the bear family to tell a good story to the kids. We've got about a 6 inch stack of them, pretty beat up from having been read so many times.

As a lifelong Berenstain Bears fan, I had to get this for my toddler to add to both her Christmas Books and Berenstain Bears Books collections. It's very cute and yes, mostly just the Night Before Christmas, but we love the illustrations so it made it extra special to read this together.
