St. Benedict: Hero Of The Hills (Vision Books)

Synopsis

Mary Fabyan Windeatt presents the powerful story of the famous life and miracles of St. Benedict for the Vision Book series of saints for youth. Known as the Father of Western Monasticism, St. Benedict played a major role in the Christianization and civilization of post-Roman Europe in the sixth century. Having lived in an era of great immorality and vice, Benedict founded an order for monks whose strong life of prayer and work helped convert the godless society around them. It tells how his Benedictine order of monks spread throughout Europe and the New World. The heroic life of his sister St. Scholastica, his saving a boy from drowning, raising one from the dead, and the story of poisoned wine are all told in this exciting, dramatic tale of a great saint. Illustrated.

Customer Reviews

Note: This is the same book that is published by TAN books, except "Hero of the Hills" has been added to the Vision Book title.

There is not a Religios book in the world like this the auther took all the facts and turnd saint benidicts life into a naritiv like it is realy happining while you are reading it. this book is a real page turner and once i started i couldent stop just like the harry potter series. I hily recomend this book to people interested in monastic life, the life of saint benidict, the catholic church, miricals, or even somone who just wants to read a good book as rare as this one. believe me this book is worth

reading.

Enjoyed this book very much. It has a lot of detail, without boring the reader. It could be easily understood by different age groups.

Great book which will be used with a church school class to teach the importance of God's holy ones. Highly recommended.
