## Customer Reviews

Bought this for our child to give him some extra incentive to play his Sax for Christmas. It does have a great variety of songs and easy to play. Song List: A Caroling We Go A Child Is Born In Bethlehem All I Want For Christmas Is You All My Heart This Night Rejoices All Through The Night Angels from the Realms of Glory Angels We Have Heard On High As Long As There's Christmas As with Gladness Men of Old Auld Lang Syne Away In A Manger Baby, It's Cold Outside Because It's Christmas (For All The Children) Blue Christmas The Boar's Head Carol Brazilian Sleigh Bells Break Forth, O Beauteous, Heavenly Light Bring a Torch, Jeannette, Isabella Carol of the

Alone You're All I Want For Christmas

has lots & lots of songs. I think someone else listed them all. Has traditional & more modern ones  
(includes Grandma got run over by a reindeer & I saw mommy kissing Santa Claus). Short ones (a  
couple of lines) & long ones (two pages) while most are in between (4 lines to a page). Some are  
played quickly & some slowly, brightly, moderately, gently, with a lilt, Adagio, etc. Great change up  
from playing in the class room book all the time. A chance to see all the practicing pay off for a  
student.

You're getting a lot of bang for your buck with this book. It has a huge variety of songs. Though it is  
missing a few. For example: "Have Yourself a Merry Little Christmas" which is one of my favorites.  
Still I've never found a more inclusive book of Christmas music for saxophone. The songs range  
when it comes to skill level. Some of the songs are harder than others. My cousin (who is 12) came  
to visit on Christmas and asked if she could try my saxophone. She has never played saxophone,  
but could play "Silent Night" after a few hours. (Granted she had played other instruments). I would  
recommend this book to all ages and skill levels! Nowhere else will you find the same collection of  
songs at such a reasonable price!

I got this for my son to widen his selection when he practiced. We found he is really good at playing  
and picked it up quickly, so he was having to wait on his classmates to catch up. Great selection of  
songs.

Wow! I was really surprised at the number of Christmas tunes included in this book. The songs are

listed alphabetically, and so it is easy to find the favorites later on. I really like this book, and I play the songs on my alto sax. I just wish they would have included the chords for the songs, by listing the letter of the chord above the staff. That would have enhanced my attempts to later improvise, or to use this book for my guitar or concertina.

This is the best book to have if you don't know how to transpose keys to an instrument. It had so many familiar Christmas songs that I truly enjoy. A must have for all alto sax players.

My granddaughter was very pleased with this book. from the picture of it, I figured that there were about 10 songs in the book but I was wrong. This book is huge - there are many, many Christmas songs to choose from.

Yes, it has the notes to play, but no indication of chords for accompanists to play. Should be more fake book style. Songs are great for anyone who wants to play alone in the privacy of their own abode. Good for practice, not for sharing.
