Age Range: 4 - 8 years

Grade Level: Preschool - 2

Customer Reviews

My pre-kindergarten daughter love emergency vehicles. This book is perfect for her. The text is clearly written and has a very good amount of information for a 4 year old. The illustrations are attractive and detailed. Best of all, BOTH paramedics/EMTs are women!

Excellent text, but wish series varied drivers to include male role models as drivers, too. Pendulum swings, and all that, but life isn't a pendulum.
