Tyler Makes A Birthday Cake! (Tyler And Tofu)

Synopsis

A sweet treat awaits Tyler and Tofu when they discover that dessert is delicious and fun to make! Plus Food Network star Tyler Florence shares two carrot cake recipesâ€”one for people, and then a dog-friendly twist on this dessert favoriteâ€”and includes a Did You Know? section filled with fun facts about the ingredients. With Tofu's birthday right around the corner, Tyler wants to give his best pal a perfect party, and he knows that no birthday bash is complete without a big birthday cake! Tyler and Tofu venture back into the kitchen, where Mr. Baker takes them on an imaginary journey around the world to find delicious ingredients to create a carrot cake perfect for the celebration. But when Tyler says it's a treat for Tofu, he discovers that not all of his favorite foods are good for dogs. Luckily, Mr. Baker can cook up a canine snack just in time for the party!

My 4 year old really likes this book. He likes all of the "Tyler" books since his name is Tyler and he likes to help cook. My only complaint is that in these books, Tyler learns all about the ingredients that go into whatever he's cooking (in this one, it's a carrot cake). Tyler learns all about raisins for his recipe, which I do put in carrot cake, but then never mentions them again when he's baking the cake. Maybe it's because raisins are bad for dogs and they didn't want anyone to mistakenly put

raisins in their dog's cake. Admittedly, this is minor, but it always aggravates me when I read it.

I bought this book after buying the previous 2 for my grandsons. They love all of them! It is refreshing to find a story about boys loving to be in the kitchen and cook. The illustrations have a lot of depth. Everywhere you look, something else is happening. I admit that I thought the illustrations of the characters were a little odd, but I got used to them because the story is so good at explaining where our food comes from. Love this series!!!

My daughter is 3.5 and loves this book. What a great plot baking a cake for your dog's birthday. Very festive. I have purchased at least 5 of these from for birthday gifts. All well received.
