Walking The Road To Bethlehem: Your Journey To Christmas

Synopsis

Based on Hamilton's, *The Journey: Reflections for the Season*, this new edition contains added content to create an experience of preparation of heart and mind for Christmas. Experience the Nativity story in new ways as you take your own journey to Christmas. *Walking the Road to Bethlehem* combines content from Adam's travel from Nazareth to Bethlehem, a summary of the historical and scriptural content from each chapter of *The Journey*, links to travel video and photographs online, Scripture, prayers and room for personal journaling. *Walking the Road to Bethlehem* is excellent for individual devotion and reflection and can also be used as a small group experience.

Some might think that for a story as often told as the story of the birth of Jesus, there is much that could be added, but they would be wrong. Adam Hamilton went back to Israel to follow in the footsteps of the young couple as they made their way to Bethlehem and comes away with some surprising insights. These insights add depth and meaning to the story and put us front and center to one of the world's most influential events. Saddle up your donkey and ride alongside Mary and Joseph as they leave the comfort of home with little more than a promise to keep them going. I have studied these passages many times and even written about them for different publications, but I still found new and exciting material in this thoroughly researched book.

Adam Hamilton has a way of telling the old stories with a new approach. Sometimes it takes me a

while to grasp what he is saying, but I do appreciate that he is able to bring out new thoughts and ideas on familiar topics. I've been to his church and heard him preach. He's created a great religious institution and a great book. He's uncovered new possibilities and that is very refreshing.

This is the second year I have followed the daily devotions to prepare my heart for the Real Christmas. Adam Hamilton has written many spiritually helpful books and this is definitely one that you might like to consider for your library or kindle. I passed on my hard copy this year and downloaded the kindle edition so I could share this with my family and friends.

This little book combines daily devotions, scripture and prayer with interesting travel notes from Bethlehem and Nazareth -- along with excerpts from the main book, *The Journey: Walking the Road to Bethlehem*. I'll enjoy giving this to several people on my list.

The book gave me additional insight to the meaning of Christmas, enabling me to more fully appreciate the event rather than the trappings.

Interesting detailed perspective. He points out a lot of things I never thought about. It's easy to read, short, and concise.

I know now that during Advent it is a time of change, excitement and reflection. It is a book of hope for all our tomorrows.
