## Customer Reviews

Super cute book we bought for our daughter who was baptized in May. Towards the end she started losing interest as the wording and length of words on the pages goes way over her head..... Overall a nice book for her to have as she prepared for her big day.

I got this for my daughter for Christmas when she was 7, and she is learning a lot from this coloring book when she uses it in sacrament meeting.

Eh. It's ok. The pictures are really simple and cartoony. I wouldn't purchase this again unless it was cheaper.

Great book to explain baptism. Good gift also!
