Jon Courson's Application Commentary: Volume 2, Old Testament (Psalms - Malachi)

Synopsis

Jon Courson is one of the most exhilarating ministers today. In his unique style, Pastor Jon has written an Old Testament commentary that is a scholarly work, but is easy to read and makes practical applications for us in our daily walk with Jesus. This volume completes Jon Courson's verse-by-verse commentary on the Old Testament. It is your opportunity to study the Bible with one of the great Bible teachers of our time.

Customer Reviews

This is an excellent way to study the Bible - this verse by verse commentary. It teaches so much and helps the understanding immensely. I recommend it to everyone who wants to study "line on line" and truly dig in.

Both my husband and I love Jon Courson's commentary. His explanation and indepth look at the scriptures adds so much more to my Bible reading. I am reading in Proverbs and I love the applications that Jon Courson provides that help in my daily walk with the Lord and which also gives practical examples of not only how to walk our daily walk, but gives other examples of happenings in the Bible that apply to that scripture. I love all three of Jon Courson's Application Commentaries and would highly recommend them!!

Jon Courson has a way of writing that makes the bible come alive in a personal way. Many times I have stopped and prayed while I was reading the Bible and commentary sections, to ask for the Lord's help and guidance in my walk and conduct. If I had to have any book(s) other than the Bible, the Courson commentaries would be my choice. I have been in full time ministry for more than 15 years and these commentaries have still been a great help. Of course, I don't agree with everything Jon teaches, but it is overwhelmingly solid teaching.

I love it. He has great insight into the Scriptures. My only comment is that the text is in King James Version which is sometimes difficult to understand a particular passage. I usually have my other Bible handy if I don't understand the verse. I would highly recommend this commentary.

I have all 3 of Jon Courson's Application Commentary books and they are all wonderful! He takes the entire Bible, just a verse or 2 at a time and gives insight in to what it says. This has been a great help for me to really dig deep into the Bible. I used this series to help me prepare for a young adult Bible study I led and it was incredibly helpful. Read the sample text and you'll see how good this commentary is - I strongly recommend it!

His commentaries bring the bible to life along with inserting helpful hebrew and greek.

I use-to teach ... and this study guide is by far the best compilation (3 volumes) I've read and used. Anyone attempting to understand the Bible for what ever the reason will surely find the commentaries useful and accurate. The simplicity of the vernacular is impeccable. I have all three volumes which is an excellent addition to my library. I have painstakingly crossed reference and tested the comments ... they all came back five by five.

I have all 3 of these commentaries in my Kindle Ap. I use it every day. Jon Courson's commentary is excellent. He goes into the Greek and often explains why certain verses that seem strange have different meanings in the original Scripture Version. In Psalms, as an example, he sets up each Psalm so that we know where David was in his life when he wrote them. He often offers other verses that tie the scripture you are studying to each other. Just excellent. Highly recommend.
