Ancient Egypt (Legacies From...)

Synopsis

A history book with a difference. In a world of traitors and thieves, who would you trust? Nakht is just a simple scribe in the temple of Sobek, the crocodile god. When a poor slave girl calls on his help, he is thrown into a murderous plot involving stolen treasures, mysterious curses and the pharaoh himself. This is a thrilling tale that also contains all you need to know about Ancient Egypt and cross-sections of towns, temples and pyramids. --This text refers to an out of print or unavailable edition of this title.
