# Amma, Tell Me About Ramayana!

## **Synopsis**

The story of Rama, the righteous prince, Written ages ago by the poet Valmiki. This is Ramayana â “ an ancient, epic poem, As told by Amma to Klaka and Kiki. Beloved prince of Ayodhya, next in line to be king; Banished to the forest at his stepmother’s behest. Waged a war with the demon Ravana to rescue his wife Helped by an army of monkeys in his quest. "Amme Tell Me" is a charming and informative series of children’s books that introduces the major Hindu festivals and figures to young readers, and are perfect for families wanting to share stories of Hinduism with their children or for educators looking for resource on the Hindu culture for their students. Written in rhyme with vivid, captivating illustrations, this series brings Hindu mythology to its readers in a fun and non-preachy way. The Series has ten books on the festivals of Holi, Diwali, and on the Hindu gods Krishna, Hanuman and Ganesha.

Grade Level: Preschool - 3

## **Customer Reviews**

The story has been abridged a little too much. I bought it for my 6 yr old. It is good as an introduction to Ramayana. I am now reading him the Amar Chitra Katha version...which a little too detailed for him. He is able to relate to the Amma Tell Me About version as I read the detailed one. I wish there was something in between.

When is a story a song? When it is a riot of colour called 'Amma, Tell Me About Ramayana!' It is a beautifully written book in simple lyrical language. The characters of Rama, Sita and Hanuman jump out beautifully. Reading it brought back childhood memories for me. I would recommend this to every parent, grandparent, teacher, even uncles who care. Gift of the year !

We have all listened to Ramayana from our elders in simple audio format. Now with videos and animations, story telling has reached an entirely different level. In this, Bhakti is doing an excellent job. To tell the story of Rama to kids with such interesting animations requires an amazing level of skill. Both Bhakti and Maulshree have combined their talents for the third time to produce an excellent piece. The day is not far off, I am sure, when Bhakti will release Ipad apps for Indian epics/stories.

A lovely book and a great addition to the "Amma Tell Me" series. I think Bhakti Mathur is doing a great job of bringing historical legends to the younger generation in a lucid appealing manner. My children love all the books and can't seem to put them down. A must have for everyone who wants to know about the great Indian legend!

The third book in the "Amma" series will surely continue to win the hearts of kids everywhere. Bhakti's lyrical, yet simple, style of story telling and Maulshree's unique way of illustrating it make the book hugely appealing to kids as well as adults. A very worthy addition to the bookshelf of every self-respecting parent !

A lovely book and a wonderful addition to the "Amma Tell Me" series. Ramayana -an ancient epic which is very close to most Indians has been well narrated. The illustrations and radiant colors keeps one engrossed throughout . A must have and a very good resource to teach kids about the Indian mythology in such an entertaining manner.

Bhakti Mathur did it again! A fantastic addition to the series "Amma tell me about". The book is well written in Bhakti's signature rhyming style, capturing the essence of Ramayana with vibrant illustrations. It will make a wonderful addition to kids library at home or in schools.

This is a beautiful story of honor and sacrifice, with lots of monkeys thrown in for good measure!

Children will love the exciting plot, dramatic illustrations and happy ending. Highly recommended!
