Combines (Casey And Friends)

Synopsis

Learn How Red Combines Harvest Crops with Casey & Friends! Combines introduces children to the world of modern farm equipment showing how the most complex machines on the farm work to harvest crops. This book is filled with colorful action photographs, fun illustrations and a cast of cartoon equipment characters. Narrated by Casey the farmer and Tillus the worm, Combines teaches readers how Cody and Kellie the combines of Happy Skies Farm harvest crops by gathering, separating, and unloading grain and corn. Learn about the science of farming and discover how their technology makes Cody and Kellie amazing! Recommended for ages 4-8.

Customer Reviews

My 2-year-old loves this book! It is in-depth enough to engage a much older child, though. Gives an overview of the history of harvesting and the inner workings of combines. It is hard to find factual children's books about farm machinery. This is one of the better ones out there! Can't wait for the companion "Planters and Cultivators" to come out!

Very detailed book. Our 4 year old that wants to be a farmer loves it!! It does contain a lot more info than most children's book do.

Great book for preschoolers!

Great series of books, with great detail to show kids what mom and dad do and how the machines run! Excited to buy the rest!!!
