Grade Level: 3 - 7

## Customer Reviews

This was a gift and my nephews loved it. They keep going back to it over and over. Great buy.

Great book with tons of pictures and fantastic topics on just about anything!

We have an old Encyclopedia so I thought I would get my 7 year old something more up to date. She doesn't like this one. There's not a lot written in it.

Easy to understand pictures and language is perfect for your curious little ones.
