Customer Reviews

Bought this for my wife as a gift. She loves the design and the slim profile is perfect for carrying. It is a great companion Bible to the ESV Study Bible for taking to church and carrying with you while out of the house. The font is a nice size and the ESV is an accurate and readable translation. The construction is nice for the price and is perfect for a gift.

Great value. Pretty cover. Nice thin size, very carry-able and easy to even put in purse. Wish it had a ribbon bookmark and was made with slightly better quality materials. But then again, the low price was what made it appealing and easy to try a new translation. Overall, very happy with this Bible.

I love using this bible. I have many bibles, but this one is my current favorite. It's relatively small (5.75" X 8.5"), and the almost-burgundy cover is soft, flexible, and pretty. It's perfect for taking to Bible Study or reading on the couch. There's a simple concordance in the back that aides in quick searches for key words. It's quite basic, but I use several other translations, commentaries,

dictionaries, and concordances for deeper study, so this suits my needs.

As advertised. Reasonable price. Wish you could get with a little larger font size.

Really high quality for the price in my opinion. The text is easy to read, the red text is where it should be, and its very lightweight and portable. You can see faint ink from the opposite side of the page, but it doesn't distract me and its normal for this thin paper. Overall, I'm super happy with the purchase. I couldn't find a lightweight ESV bible anywhere else with red text at this price.

I like this Bible. Lightweight, beautiful, and easy to read. The only thing I dislike is the page texture. It is super thin, so no highlighting or it will bleed through! Don't turn the page to harshly or you may risk ripping it.

Overall, this is a very nice bible. It is smaller, lightweight, and can be easily carried, especially in a purse. The only downside is the pages are very thin and you are not able to make notes or highlight.

Decent Bible for the price. I like the ESV translation. Only complaint is that I see too much text bleed from the opposite page when reading... Kind of like the paper is too thin. Also, there is no cord to save your reading spot.
