The Last Of The Mohicans (Classics Illustrated)

Synopsis

Fenimore Cooper's tale of Hawkeye and Chingachgook. Part of his "Leatherstocking Tales" of the great Frontier. Classics Illustrated tells this wonderful tale in colorful comic strip form, providing an excellent introduction for younger readers. Also includes theme discussions and study questions.

Customer Reviews

This illustrated classic was well done and gave the a most interesting synopsis of the great classic of James Fenimore Cooper. I really enjoyed and appreciated the excellent background notes which greatly helped understand what was going on in the longer version of the book. The illustrations enhance the story and are colorful and add a lot to the story. I think the biographic information of Cooper at the end of this comic is very well written and helps the reader remember the book and want to read more of Cooper's novels. If you are helping young people as a teacher or parent when they read this book, the Discussion questions at the end are good for leading the discussion. Well done!
